any event, it's okay. I would be support of the amendment as a clarification, if nothing more, that clearly these ag societies that operate county fairs would be considered in that 15 cent variety of subdivisions rather within the county and that would leave no question which area they're involved. So it's probably as much of a clarification as it is anything.

SPEAKER WITHEM: Senator Schellpeper, do you have a closing?

SENATOR SCHELLPEPER: Yes, Mr. Speaker, just one comment, that this does not change anything with the budgets. They still have to go through the same process and, as Senator Warner stated, it does not allow them to have any more authority and their budget have to be approved by the county board and the bill, 1085, before us said that it shall be approved or, yeah, shall be approved by the county board, not may be approved, so I think it's just a clarification. SPEAKER WITHEM: Question before the body is, shall the Schellpeper amendment be adopted? All of those in favor should vote aye; those opposed should vote no. Have you all voted? Record.

CLERK: Mr. President, a reminder the Executive Board will be meeting in Room 1113 at noon, Exec Board at noon. A new resolution, Senator Robak offers LR 467. Communication from the Governor to the Clerk. (Read communication re: 414, 414A, 1044, and 1044A.) And Senator Wehrbein has amendments to 1290 to be printed. That's all that I have, Mr. President.
